

STOCK ADDENDUM LABELS FEATURING \$300.00 DEALER PROCESSING FEE

- All 3 styles are made from pressure sensitive label stock.
- Labels will peel away on all 4 sides for ease of adherence.
- Professional appearance especially when used with your laser printer.
- All Dealer Processing Charge verbiage is printed in 10 point type to satisfy Maryland legislation.
- Can be used for Additional Dealer Added Equipment and Services.

MD-DOC-300-1

This is our largest label. It measures 4 1/4" x 11". It has very large areas if you would like to fully utilize additional information areas, like vehicle information and additional equipment, using your laser printer. Programming and adding this information will be easiest with this form.

250	500	1000
\$79.50	\$119.50	\$195.00

MD-DOC-300-3

This label is the same length as the label above, but is much thinner. It measures 3 1/8" x 11". Areas of customization will be tougher to manage but fitting it in vehicle windows next to monroney label will be a little easier.

250	500	1000
\$69.50	\$109.50	\$175.00

VT-800-300

This label is designed for the dealer who wants to keep it simple and go. Labels are 4 1/5" x 6". Designed to more closely mimic a traditional additional equipment sticker which can be hand written and posted to the window of any vehicle.

250	500	1000
\$59.50	\$99.50	\$155.00
