

ONE WRITE CASH RECEIPT SYSTEM

AA-1301 Buff Color
AA-1302 Green Color

This receipt journal eliminates double posting and increases posting speed. Some of our competitors are eliminating these products. We still have them as a stock item if you intend to continue to use them.

Journal sheets come in 2 colors (buff & green). They are 11" x 14" and will fit like posting boards purchased from our competition. 1 Part heavy card stock construction printed in blue and red ink. Packaged 50 sheets per pack.

The same can be said for our Cash Receipts. They are interchangeable with similar products purchased from other companies. Cash receipts are imprinted and numbered to your exact specifications. They come standard with either 2 or 3 parts. Minimum order 1000 receipts.
