I hereby authorize the above repair work to be done with the necessary material and grant permission to operate equipment for purposes of testing and inspection. An express mechanic's lien is acknowledged to secure the amount of repairs.

Unless otherwise provided by law, the seller (above named dealership) hereby expressly disclaims all warranties, either express or implied, including any implied warranty of merchantability or fitness for a particular purpose, and neither assumes nor authorizes any other person to assume for it any liability in connection with the sale of said products.

Although most dealers have electronic versions of Repair Orders in this day and age, an old fashioned hand written Repair Order is still a necessity from time to time. Whether your computer system is down or your doing repairs off-site, this simple version can fulfill your needs. Repair order is carbonless and has 3 parts. It can be purchased as a package item (no imprint) or imprinted with your name and numbered to your specifications. If needed, we can also customize a version to suit your needs.
